

POSITION TITLE: Family Practice Physician

REPORTS TO: Lead Clinician

POSITIONS: 1 Full Time

Location: TBD

JOB SUMMARY

Delivers primary care to patients in outpatient settings. The scope of the problems managed will include those conditions which the physician's specialty training usually would encompass. This does not exclude further training and skills individual physicians may acquire.

ROLE AND RESPONSIBILITIES

1. Provides direct patient care as per contract with CHC, maintaining an adequate clinical volume to support the CHC mission.
2. Supervising APCs, this involves but is not limited to, clinical teaching, providing direct feedback on patient encounters, and signing charts. While on call, physicians will be available to back up the APC taking phone call.
3. May supervise residents or students, providing appropriate back-up and chart review.
4. Attends provider meetings and other meetings as required.
5. Completes patient records, billing, and leave requests in accordance with the policies of CHC. Physicians will respond to requests for information regarding these issues in a timely fashion.
6. Participates as requested in Quality Assurance activities.

QUALIFICATIONS AND EDUCATION REQUIREMENTS

1. Physician is to be Board eligible for his/her specialty when hired.
2. Within 18 months of hire, board certification is to be complete. After certification, the physician will meet CME and recertification standards for his/her specialty.

ADDITIONAL NOTES

- Prolonged periods sitting at a desk and working on a computer.
- Prolonged periods of periods of standing and bending.

- Must be able to lift up to 15 pounds at times
- Typical setting is a clinical patient facing position
- Typical setting is in an office with moderate office noise level Reviewed
